CHARLOTTE COLLEGE CHARLOTTE, NORTH CAROLINA

An aerial photograph of a city, likely New York City, showing a dense urban landscape with numerous buildings, streets, and green spaces. A large, white, stylized number '100' is overlaid on the left side of the image, spanning from the top to the bottom. The number is composed of three parts: a horizontal bar at the top, a vertical bar in the middle, and another horizontal bar at the bottom, all connected by curved lines to form the digits '1', '0', and '0'.

THE 100 51 51—PUBLISHED BY THE STUDENTS

CHARLOTTE, N.C.

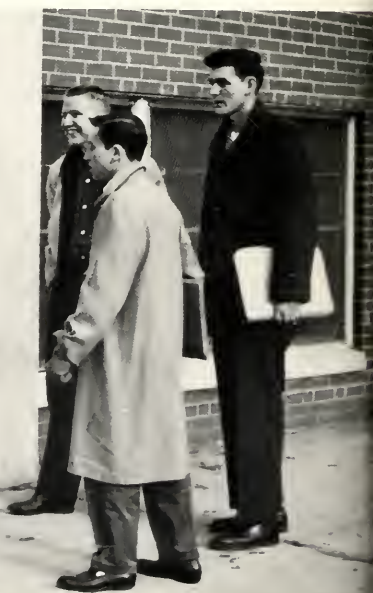

John Graham and Jimmie Hosse—Last minute check before the ten o'clock class.

Day School students Melton, Elmore, Scroggs, Raynes, and Payseur discussing homework and hotrods.

CHARLOTTE COLLEGE

The alarm clock rings early for Tommy Helms, John Yandle, Doug Simpson, Charles Marwitz, Bobby Stutts, and Clinton Hoover.

"Had to work." Mac McGee fills out the form for Mr. Higgins.

... DAY

Between classes William Collier, Gene Cadieu, and Onita Long chat and laugh together.

Beverly Schenck and Sandra Payseur discuss a part-time job notice on bulletin board.

Owl's Roost, 6 o'clock. Rose Erwin, Earl Gunter grab a few minutes for refreshments and relaxation. Bob Allen manages the Roost.

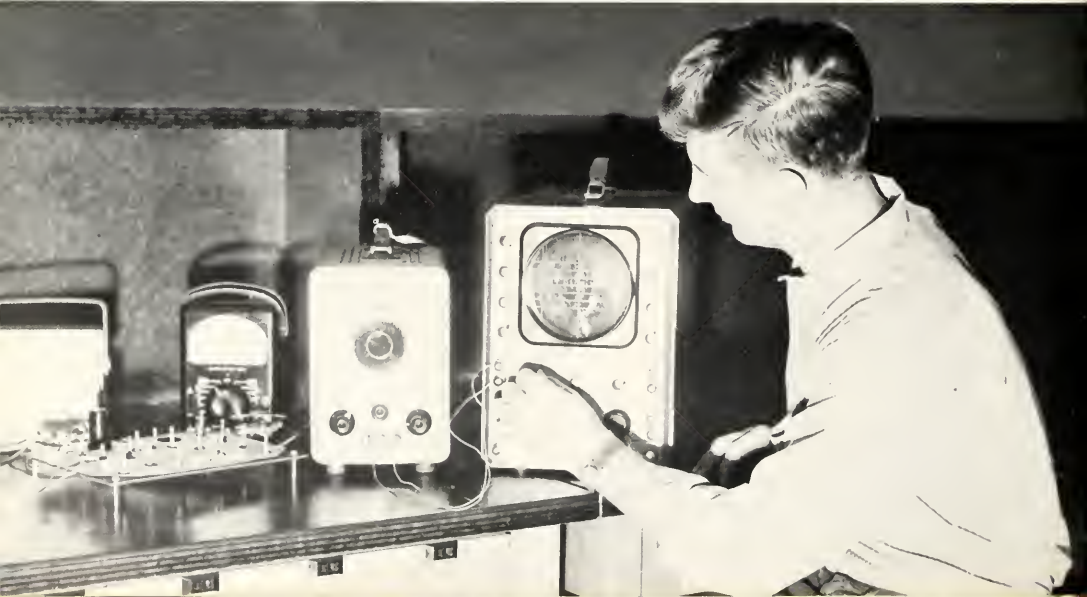

Student Personnel Director Mildred English aids Rose Erwin with a schedule problem.

Winter quarter begins with reading lists. Reginald Adams, Elizabeth Moore, Onita Long, and Ed Phillips select a volume before the rush.

..... INTO NIGHT...

Billy Joe Moser observes an electrical signal from an oscillator in an oscilloscope.

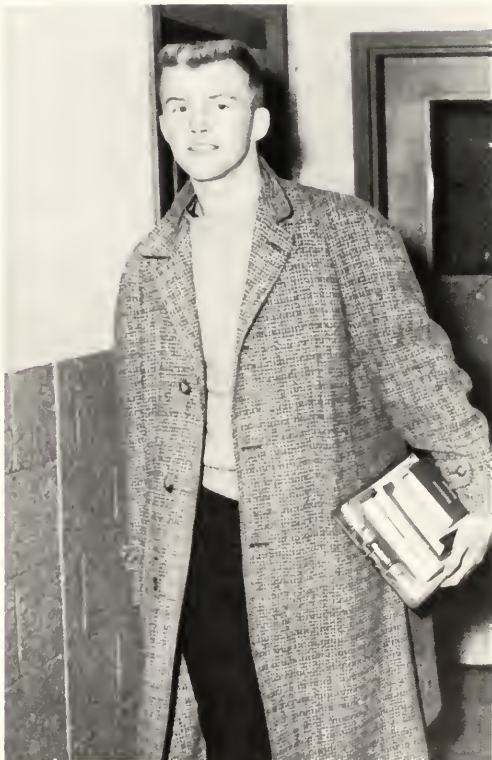

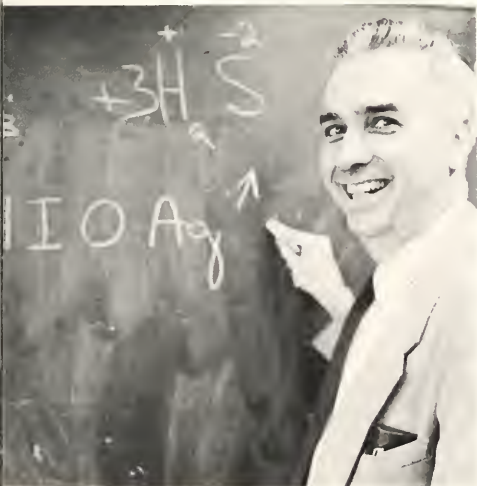

Nine o'clock. The students begin to leave—but the lights burn late in the shop.

James S. Smith, Mayor of Charlotte, J. Murrey Atkins, Chairman of the Board of Trustees, and Arthur H. Jones, Director of the Social Planning Council, are three stalwart supporters of the College.

Bob Robertson speaks to the Huntersville PTA.

D E D I C A T I O N

Because they believe in Charlotte College and stand behind every stage of its development, we, the staff of S1 S1, gratefully dedicate our 1959 annual to the people of Charlotte and Mecklenburg County: our friends, our Board of Trustees, our faculty and students, and our alumni. Because of their loyal support and tireless efforts in tax and bond elections, in contributions for scholarships and other funds, in everyday activities of college life, and in true representation of the spirit and purpose of the college, our dream of a greater Charlotte College has at last become a reality. As a North Carolina Community College and as the owner of a beautiful site for the home of Charlotte College, we proudly assume new status and new dignity.

Miss Cone and Merwin Foard, president of the Alumni Association, discuss plans for the College.

ACTIVITIES

STUDENT COUNCIL

The 1958-1959 Student Council has had an active year. In addition to solving various problems as they arose, the Council has also undertaken a number of activities, one of which has been the formulation of an Honor Code for the student body. The Student Council has also served the students through the operation of the Owl's Roost. From Owl's Roost profits the Council voted a generous donation to the Student Loan Fund.

During the year the Student Council was greatly assisted by the advice, encouragement, and untiring efforts of Mrs. Edyth Winningham, faculty adviser.

Through the assembly programs, coffees, and dances, the Student Council hopes that it has made 1958-1959 a most enjoyable year for the students.

NINETEEN HUNDRED FIFTY NINE

The S₁ S₁ Staff has many unrecorded memories of work, laughter, dismay, and fear—fear of failure to meet the deadline. There was the cover designed, rejected, and redesigned by Dave Harmer . . . Kanela separating pictures by means of ties and glasses . . . the efforts of the artist-mathematicians with the slide rule . . . the perennial question, "Where is George?" . . . the long suffering of the whole staff in identifying pictures . . . and Wade Ramsey thinking of moving into the darkroom. It is the wish of each member of the staff that you will enjoy thumbing through these pages for years to come.

WRITERS' CLUB

President: Bob Robertson
Vice-President: Patty Hill
Secretary and Treasurer:
Martha Moore

The Charlotte College Writers' Club enjoyed its most active year. The name of the club magazine was changed from Owl Tracts to The Parnassian, and for the first time was published once each quarter.

The Parnassian gained equal standing with other school publications when the Writers' Club was officially incorporated under the aegis of the Student Council.

BOB ROBERTSON

Vice-President

Seated: James Mahaffee, Patty Hill, Susan Thomas, Deanna Merrell, Roy Bivens, Bob Robertson.

Standing: Geraldine Loveless, Fred Collins.

ELECTIONS

James Mahaffee, *Chairman*

There was new interest in student elections as evidenced in the increased number of nominations—fifty-seven for Freshman Class officers. Votes for Freshman Class officers and the five Student Council representatives were tallied by the Elections Committee.

STUDENT COMMITTEES

SOCIAL

Peggy McRorie and Jack Helms
Co-Chairmen

The Social Committee began its activities with a picnic at Bryant Park. It sponsored three very successful dances—Christmas, Valentine, and Spring. The members have been responsible for one coffee hour each quarter, during which all members of the faculty and student body were able to enjoy sandwiches, cookies, and coffee. Hats off to the Social Committee for a job well done.

PUBLICITY

Lorna Byers, *Chairman*

Long before the college opens for the fall term the Publicity Committee edits *What's What*, which is used during Orientation Week. The members have worked behind the scenes to make posters advertising each of the activities of the Student Council—the Christmas Dance, the Stupid-Cupid Valentine Dance, picnics, and the Campus Cut-Ups.

ASSEMBLY

Rose Erwin, Van Litaker
Co-Chairmen

The Assembly Committee has planned and made arrangements for all Student Government assemblies. In addition, they have provided entertainment for guest artists after the program. Through the efforts of the Assembly Committee and Sigma Tau Sigma, Mr. Harry Golden presented a most effective lecture to the student body.

This year the Committee conducted a poll of student opinion on the type of program that creates the most interest, the results of which will be used in making the series for next year.

FINANCIAL

Jim La Roach, *Chairman*

The Finance Committee provides and supervises budgets for the various committees and student publications. Records are kept of all financial receipts and expenditures, and at the end of the year an annual budget is published in the *Collegian*. This year two hundred dollars was allotted for the student loan fund.

Left to Right: Rose Erwin, Charles Wyatt, Wayne Kenimer, Richard Fuller, Van Litaker.

FRESHMAN ADVISORY COMMITTEE

The Freshman Advisory Committee has become an indispensable part of the Student Government Association. This committee has a dual purpose—to orient new students and to assist faculty advisers in counseling during Orientation Week.

This committee is made up of twenty-four students selected from the Student Council and the student body.

ΦΘΚ

The purpose of PTK is to promote scholarship, to develop character, and to cultivate fellowship among the students of the college. Membership is offered to those who achieve and maintain high scholastic requirements. Proper college spirit, interest, and attitude, however, are also necessary for membership.

PTK engages in social and civic functions. Its primary civic project of '58-'59 was the cleaning of the "doughboy" statue on Cecil Street. Cold wind and rain prevented a thorough cleaning on its first try; but perhaps warmer weather will allow the chapter to do a first class job.

SIGMA LAMBDA CHI

ΣΛΧ

The principal aim of Sigma Lambda Chi Fraternity is to promote the high standards and ideals of Charlotte College through wholesome social activities and services to the students and to the college.

The outstanding award from the fraternity is the Sigma Lambda Chi Scholarship, which is awarded annually to a freshman. The money is raised through the sale of decals and the labor of the members who wash and wax cars.

The members have arranged two parties, one of which was an informal party at the river for the pledges.

The Alpha Chapter of Sigma Tau Sigma, a National Honorary Social Science Society, was organized in 1957. One of the purposes of this Society is to honor, by suitable awards, students who have done outstanding work in the social sciences. It has brought to the college such speakers as Harry Golden and Lt. Col. L. G. Coutts, who had recently returned from the U.S.S.R.

CHARLOTTE COLLEGE CHAPTER OF THE COLLEGIATE COUNCIL OF THE U. N.

The College Council on the United Nations has been one of the most active student groups at Charlotte College this year. It has held frequent meetings to discuss problems which have come before the United Nations—mock Security Council and Political Committee meetings. Six members represented Japan and Jordan at an inter-collegiate model U. N. Assembly in Greensboro, February 27-March 1, and six other members represented Japan at a regional model U. N. Assembly at UNC, April 9-11. CCUN also sponsored a chartered bus trip to New York and the United Nations during the Thanksgiving holidays.

"Head-back, chin-down, back-straight"—these are Mr. Woodruff's directions to the Chorus. The Chorus started with twelve members at the beginning of the fall quarter. At Thanksgiving they gave a program with approximately twenty members. The Chorus had one project, a program on May 10 at Myers Park Baptist Church. This program consisted of music by Mozart, Buxtehude, and contemporary compositions by North Carolina composers. For the program, the thirty-voice chorus of Charlotte College combined their talents with those of the Wingate and Brevard Chorus members for the latter part of the program which consisted of contemporary works.

Left to right: Lorna Byers, Earl Gunter, Marv Katsaris, Elizabeth Moore, Miss Mary Denny, Adviser; Ann Hilton, Margaret Fisher, Trula Booth, Bob Robertson.

STUDENT NATIONAL EDUCATION ASSOCIATION

Now a member of the Student National Education Association instead of Future Teachers of America, the Charlotte College Chapter has engaged in various activities this year. The real highlight was the trip to the state meeting of Student N.E.A. in Raleigh in October. Charlotte College was represented by five enthusiastic members, who received great inspiration and many helpful suggestions from the meeting. Attending the state meeting of the North Carolina Education Association in Asheville in March were President Betty Johnson and Earl Gunter, Miss and Mr. Charlotte College, Margaret Fisher, Bob Robertson, and Reid Wentz. In February the group gave a party for the adults at the Spastics Hospital. Students participating enjoyed the party as much as the guests.

Seated: William Collier, Susan Thomas, Evelyn Faires, Irene Boysen, Dr. Macy. *Standing:* Russell Gilbert, Gary Idol, Sammy Honeycutt, Onita Long, Thomas Baucom, Fred Ritch, Max Petty, Richard Sanders.

FRENCH CLUB

Le Cercle Francais held several meetings during the year. Films on France were shown at the meetings. Club members sang French songs and discussed French life and customs.

EL CLUB ESPANOL

El Club Espanol is a social club at Charlotte College in which the members of the Spanish classes and other interested students get together in order to get a better understanding of the customs, history, and geography of Spain and Latin America. These informal gatherings feature talks by foreign students, Spanish songs and dances, Spanish plays, movies, and conversation.

PHYSICAL SCIENCE CLUB

The Physical Science Club of Charlotte College was formed in November 1958 for the purpose of enabling the students of CC to "Pursue Science Collectively." The faculty advisers, Mr. Norman and Mr. Tinkham, aided the officers—Frank Arumi, *president*; Edward Silber, *vice-president*; and Judie Joseph, *secretary-treasurer*—to organize monthly discussion meetings. Films and topics of interest are presented and experiments and research are conducted. Trips were taken, including a trip to Chapel Hill to the Morehead Planetarium. The monthly dinner meetings held at the S&W Cafeteria at Park Road consisted of lectures and demonstrations, such as Mr. Cloyde Goodrum's lecture on "The Nature of Physical Concepts" and Bell Telephone demonstrations.

FEATURES

*Site of a greater
Charlotte College.*

The State Board of Higher Education has spread out a bright future for the Charlotte College system.

It sees the college as a key link in the State's higher educational chain. It sees a four-year institution by 1969, serving a rapidly growing area which already holds 21 per cent of the college age persons in North Carolina. . . .

The colleges have been serving Charlotte and this area well. They fill a need that no other institutions can meet—near-at-home, reasonably priced higher education and technical training that this region needs so badly. . . .

The state planners would spend a million dollars on their construction during the next two years and another two millions by 1969.

Here are great possibilities.
